RULES AND ORDER OF DEBATE
Adjournment of the House to discuss a matter of urgent public importance — Under Standing Order 17, a Motion on a subject of [*Agricultural Depression*] so wide a scope was not contemplated *April* 13, 367

A Motion for leave to bring in a Bill having been made under Standing Order 16, The Speaker could not allow more than one speech in support of the Bill, and one against it *April* 12, 225

The remarks would have been perfectly appropriate when the Speaker put the Main Question (*Standing Committee* (*Scotland*), *Res.*) after the Amendts. had been disposed of *April* 17, 1591

The Amendt. was out of Order (*Standing Committee* (*Scotland*), *Res.*). It was not open to a Member to move an Amendt. re-opening the decision taken by the negativing of a previous Amendt. The Amendt. was in Order which proposed to alter the constitution of the Com. The Member (*Mr. Courtney*) was persuing an inconvenient course by raising a discussion then upon the general question. After the Amendts. had been disposed of, the Member could re-open discussion on the Main Question *April* 20, 997, 998, 999
